Simple volume pricing: Roll out your estate at zero CapEx for an all-inclusive low annual fee per lift.

5% discount on the annual fee for upfront payment · Lifetime rolling hardware warranty on all active subscriptions · No installation charge — it's plug and play. We ship the pre-configured unit and your incumbent lift engineer simply plugs it into the existing autodialler. Nothing to pay for installation, and no third parties on site.

What every subscription includes

The Hardware

Universal 4G VoLTE gateway with built-in, standards-compliant battery backup and a high-gain external antenna for deep-shaft and basement penetration.

The Connectivity

Global multi-network roaming SIM that automatically locks onto the strongest signal — guaranteeing no single point of connection failure.

The Cloud Platform

24/7 real-time visibility: heartbeat status, mains power loss and restore, battery degradation — and one-click compliance audit PDFs.
